Dear Robin,

I wanted to express my sincere thanks to you for being the best female vocalist that I have ever booked since I started booking acts in 1986. Your voice, stage presence, appearance, and personality is incredible. Normally you find a singer that has one or the other but you have it all. Not only do you have all of the above but your professionalism and dedication has been a real asset to Big Beat Productions. Every performance has been outstanding with receiving standing ovations. I am very happy to call myself your friend as well as your agent and hope that this strong relationship will continue for many years to come.

If there is anything I can ever do for you be it professional or personal, just let me know and I will be there for you.

It has been awhile since we did lunch - so let's do lunch real soon!

Warmest regards

Robert Lee

Dear Ms. Roth,

First, a big **THANK YOU** for donating your time and talent to participate in the benefit show I held recently. The community sent a check for \$4000 to assist the September 11<sup>th</sup> Relief Fund.

The patrons raved about you! They enjoyed you so much as a part of the benefit performance, they couldn't wait to purchase tickets to your special *One Woman Show*. What a performance! They have requested an encore presentation, which I am happy to oblige.

Your blend of comedy, powerhouse vocals and stage presence is a dynamite recipe for continued success! It was my pleasure to have met you and I hope you'll continue performing at my venues in the future.

Sincerely,

To whom it May Concern:

I have the responsibility for scheduling major conventions for our company. There is normally a wide cross section of folks, which makes it imperative that I choose entertainment that is satisfying and enjoyable to people from all walks of life.

April 7<sup>th</sup> of this year I had the extreme pleasure of presenting Ms. Robin Roth as the featured entertainer for our Spring Nationals. Our attendance in the ballroom exceeded 3500. Her performance was absolutely fabulous!

Robin's vocal range and power were just awesome; it was hard to believe that it all came from one very petite, beautiful lady. She is truly an entertainer in every sense of the word!

Our ballroom was incredibly deep, and at first I worried that the folks in the back would not feel as if they were a part. Wrong I was! Robin had the entire ballroom enraptured with her glowing charm! Her incessant energy lit up the room, her precious humor delighted us, her personal interaction with one of our associates had our folks roaring, and those that were not dancing in their seats were swinging from the rafters!

As I looked out at the ballroom, I could see the joy, pleasure and excitement the Robin created. It was as if she had cast a spell upon them and they were swooning with her melodic tones.

I was truly impressed with her performance and literally had people calling me for weeks to complement our choice of entertainment!

I hope Robin will grace us with her presence in the future at other functions! I guess to sum her up in one word, WOW!

Dear Yvette:

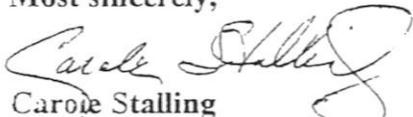

The Ladies Club of Royal Palm Yacht and Country Club loved having Robin Roth as our program on February 6<sup>th</sup>. Members and guests have told me that they thought she was the finest program we had ever had!!

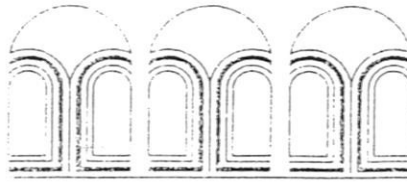

She was most attractive in every way and everyone loved her act. It was most impressive how she included the audience in many of her numbers. She certainly won the crowd over.

I have a wonderful time getting to know her before her performance. She was most delightful. It would be great to have her for an evening program in the future.

Please keep in touch with me since our club enjoys using Big Beat Productions. Thank you for all your help.

Most sincerely,

Dear Chuck:

Sorry you couldn't get down this way last week. When you can, let me know and we will get together.

Hope you have worked out things will Ozzie Singer for New Year's Eve.

I've run across a dynamic singer; blonde, beautiful, never stops moving from the time she steps on stage until she sits down to sing "Papa", and has the audience eating out of her hand within 10 seconds after she comes out. **Robin Roth** tore the place apart. I've asked her to send you a tape. She might be able to fit into your operation. You know I normally do not rave about talent, but I believe Robin could be valuable to you and a "Show-stopper."

Best regards,
